## St. Louis Region: 2023 Grantmaking Guidelines

**Goal:** Build better lives for transitioning service members, veterans and their families. We provide support for veterans and families from communities typically underrepresented in the military veteran ecosystem and those systemically disadvantaged by societal barriers and impacting diversity, equity and inclusion.

**Concentration:**

- **Workforce Transition:** Support employment-readiness programs for transitioning service members and their spouses to help them succeed in their next mission in the civilian workforce. We focus on high-quality training in high-demand sectors to reduce economic and employment disparities among veterans.
- **Rehabilitation and Recovery:** Support veterans' physical, mental and emotional well-being

## St. Louis Region: 2023 Grantmaking Guidelines

### Goal:

Respond to the local needs of our community by making strategic investments that support mobility out of poverty, increase access to healthy food options and quality health care, address environmental concerns, support safe communities and break the cycle of incarceration. We place special emphasis on communities of color and other underserved communities.

### Concentration:

- **Economic Mobility**
  - Support programs targeted at increased access to resources to improve earnings and wealth accumulation through workforce programs.
- **Community Well-Being**
  - Improve access to healthy food within underserved communities in North County and East St. Louis
- **Recidivism Prevention**
  - Support workforce training programs for individuals with barriers to employment.

Boeing St. Louis invests across the St. Louis region, with an emphasis in North St. Louis County and East St. Louis.
