

LOS ANGELES REGION

2004-2005

Public Notice No. 10-026

The facility is also permitted to discharge treated groundwater from Outfall 019. The groundwater treatment facility has not operated since 2005. The facility is scheduled to become operational in the fall of 2010. The permit includes effluent requirements for the discharge of up to 0.3 mgd of treated groundwater per day.

... of a preliminary staff review and application of lawful standards and regulations, the

Regional Water Quality Control Board, Los Angeles Region, tentatively proposes issue waste discharge requirements, including effluent limitations and special conditions.

HEARING DATE AND LOCATION

Date: June 3, 2010  
Time: 9:00 a.m.

Board office no later than close of business on **May 12, 2010**. Failure to comply with these requirements is grounds for the Regional Water Board to refuse to admit the proposed written

comment or exhibit into evidence pursuant to section 648.4, title 23 of the California Code of Regulations.

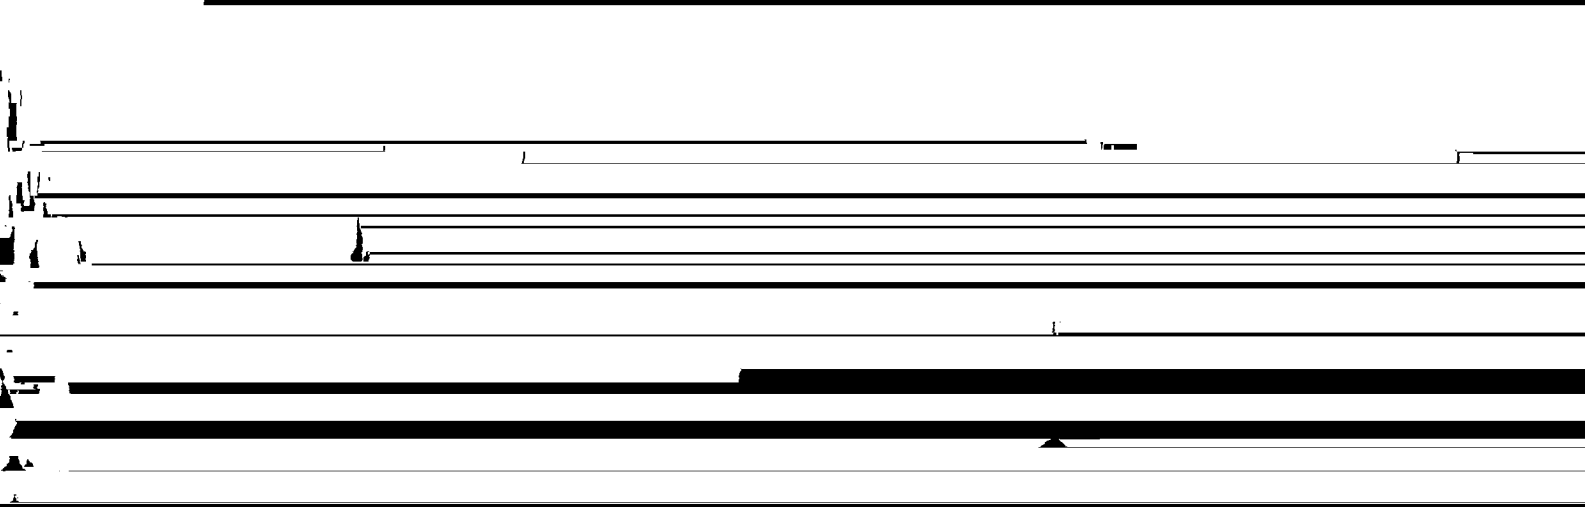

NATURE OF HEARING

This proceeding will be a formal adjudicatory proceeding. For such proceedings, the Regional Board follows procedures established by the State Water Resource Control Board, which are set

forth in regulations commencing with section 647 of title 23 of the California Code of Regulations, in particular, Article 2, commencing with section 648. While this proceeding is formal, as an administrative proceeding, the Board does not generally require the prior identification or cross

of time allocated for parties' presentations must be submitted within two business days of notice thereof, if that date is less than 15 business days before the hearing.) Absent such objections, any procedure not specified in this hearing notice will be waived pursuant to section 648(d) of title 23 of the California Code of Regulations. Procedural objections will not be entertained at the hearing.

If there should not be a quorum on the scheduled date of this meeting, all cases will be ~~automatically continued to the next scheduled meeting on July 8, 2010. A continuance will not~~

extend any time set forth herein.
